

SITUATION REPORT

HURRICANE FIONA

SEPTEMBER 27, 2022

SITUATION

Hurricane Fiona made landfall in Puerto Rico on September 18. The storm brought torrential rainfall and dangerous flooding and knocked out electricity across the entire island. Hurricane Fiona also caused major flooding in the Dominican Republic and other Caribbean islands. Afterward, it moved north and impacted the eastern coast of Canada.

Flooding in Puerto Rico

RESPONSE

Lutheran Disaster Response is responding to Hurricane Fiona through the Caribbean Synod. The synod is providing gift cards for people impacted by the flooding so they can purchase their immediate needs. As the damage from the hurricane is assessed, Lutheran Disaster Response and the Caribbean Synod will develop a long-term recovery plan. Additionally, Lutheran Disaster Response is funding a disaster response and diaconal ministry team for the synod.

HOW YOU CAN HELP

Pray

Let us pray for the people affected by Hurricane Fiona. May God's healing presence give them comfort and hope in their time of need.

Give

Contribute to Lutheran Disaster Response (Hurricane Response).
